MEMORANDUM FOR THE RECORD

FROM:

PMS/OL

STAT

SUBJECT: Governmentwide Ethics Act of 1989 (S.765)

1. On 1 August 1989 the undersigned provided a preliminary review and comment on the above described legislation, a bill to ensure that serving with honor is the aspiration of every employee in our Government and to provide for the equitable treatment of all Government officers and employees under the laws of the United States, and for other purposes. Because the legislation may have some impact on the Agency's acquisition process by building upon the previously-enacted "procurement integrity" provisions of the 1988 Amendments to the Office of Federal Procurement Policy Act (Section 6, P.L. 100-679), this legislation requires close attention by OCA. OCA is requested to provide PMS with hearings transcripts and other relevant materials regarding the legislation.
